

FROM THE PRINCIPAL

Dear Parents and Community Members,

Waverly is a great place for students and we are proud of our reputation as a safe, kind, supportive, and nurturing learning environment. Classroom teachers work closely in Professional Learning Communities to evaluate student work and determine which students are struggling and need enrichment. We will continue to deliver standards of excellence in academics and character development by providing small group reading and math instruction, PE, music, library and technology instruction, and implementing positive behavior supports. At Waverly we are all students and learners.

Please join us in supporting student success by monitoring and talking with your child about homework and upcoming assessments, attending parent-teacher conferences, and volunteering. We look forward to partnering with you over the coming year to ensure that all of our students reach their full potential!

Additional Waverly Highlights:

- Year 2 Math Studio School
