

FROM THE PRINCIPAL

Dear Parents and Community Members,

In the 2012-2013 school year, Waverly Elementary School received an Overall State Rating of a Level 4 on a scale of 1-5. This rating represents a combination of student growth and achievement and indicates that our students are performing about as well or better on standards-based tests as students at other Oregon elementary schools. Compared to elementary schools with similar student demographics, Waverly Elementary is better than average.

Waverly is a great place for students! We will continue to deliver standards of excellence in academics and character development by providing small group reading instruction, small group math

intervention instruction, P.E., library and technology instruction, and counseling services

You can help by monitoring and talking with your student about homework and upcoming assessments, attending parent-teacher conferences, and volunteering. We look forward to partnering with you over the coming year to make sure all of our students reach their potential!

Thank you,

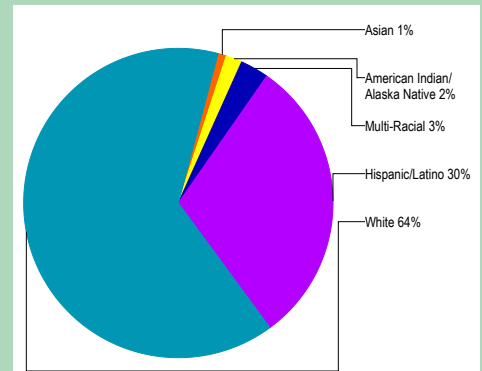

Principal | Anne Griffith
