the Parenting Success Network

To register and reserve free on-site
child care, please text Katy
Allaback

Explore ways to support your child:

At this one night workshop, entitled **Inspiring Creative and Innovative Play in Young Children through Loose Parts Materials**, with Facilitator and Parent Educator Aoife Magee, PhD, we will examine how to develop exciting play opportunities for children using beautiful and alluring every day materials to stimulate the senses, creativity, action, and inquiry.

Help awaken creativity and joy in your family, early childhood setting and support play-based learning, both in children and adults.
